

# Farm NEWS

BY TOM CASADAY, CO. AGENT

**HEADLAND**  
I certainly hope that a large group of Coffee County peanut growers will go to Headland on Thursday, August 12, 9:00 a.m., at the Wiregrass Substation for the peanut harvesting clinic. The meeting will deal primarily with hard-vesting. Perhaps some of you can invite your neighbors and get a carload to attend this important meeting.

**PEANUTS**  
Mr. M. D. Bond, our peanut specialist, gave this advice recently on digging peanuts: "Many peanuts are due to us early than too early. I know that this happened in a lot of cases last year. A lot of people dug too early and lost several dollars per acre."

**CHINCH BUGS**  
If you are having trouble with chinch bugs on your lawns, call us at 347-6095 and we will be glad to give you the recommendations for control. We have had

**ELBA THEATRE**

CLINT WALKER  
TOMMY SANDS  
TECHNICOLOR  
WED. - THURS.  
AUGUST 18 - 19  
FAMILY ENTERTAINMENT!

**FARM AND 4-H Round-Up**  
GAS REFUND  
Alabama farmers can get ten cents back on each gallon of gasoline used in their tractors and stationary engines. The State refunds six cents and the Federal Government refunds four cents. These refunds are made on all gasoline used for farm purposes.

Refunds are possible for all gasoline purchased from July 1, 1964, to June 30, 1965. But all claims must be filed by September 1, 1965. Claim forms are available at our office.

**LAWN PROBLEMS**  
If you have a beautiful lawn -- beware! There are two pests who look for lawns like yours. The sod webworm is very destructive, especially in sunny areas. Examine dead grass for numerous small holes, web-like cocoons or the worms.

Leafspot, another pest, is usually worse in spring or fall, but may be found in summer. It causes light brown spots along the leaf blade and may be worse on over-fertilized lawns.

If you have any lawn problems, let us know and we will do our best to help you find the solution.

**GOOD SEED PAYS**  
Certified oat seed produced 13 more bushels per acre than non-certified oat seed in Alabama last year. This is just one example of how good seed pays dividends. Similar results should be expected with other crops.

**COTTON INSECTS**  
Reports are that boll worms are now building up in numbers. Keep a close look out for these worms, because late control may be necessary to protect your cotton against them.

**PEANUT HARVEST**  
Be sure those peanuts are ready to dig before you harvest. This is probably one of the hardest jobs in peanut production but certainly important. Many tons are lost every year due to early harvesting.

**4-H PEANUT PROJECT**  
We have 15 boys with 4-H peanut projects this year. These boys are keeping complete records on these projects. We hope to obtain information from them that will help increase yields in the future.

**MARKET HOG SALE**  
The market hog show and sale will be at the Elba Livestock Co-op barn on Wednesday, August 11, beginning at 10:00 a.m.

present at 10:00 a.m. for the actual grading demonstration and 11:00 a.m. for the sale. Be there early -- bring your hog to this sale.

**4-H Program Provides Training In Science**  
American young people's interest in science is lagging. "Not so," says T. W. Thompson, service director for the National 4-H Service Committee. And he backs up his statement with facts taken from records representing some 78,000 inquiring 4-H entomologists.

Thompson pointed to the record of a 15-year-old New York Miss who was instrumental in organizing an international Teen Entomology group. Her 4-H project has broadened and now she supplies motheggs to the state agricultural experiment station, museums, and to entomologists in this and other countries.

A New Mexico 4-H youth has amassed a collection of more than 2,000 insect specimens. The collection has been used in the instruction of 4-H members and school science classes. Many other 4-H entomologists share their knowledge with others. An Indiana University student plans to write about the world of insects after graduating with a degree in journalism and zoology. An Idaho 4-H girl has her own newspaper column which advises readers on methods of insect and pest control.

Thompson further noted six \$500 educational scholarships are available again in 1965 in the National 4-H Entomology program. Information and assistance are available from the county extension agent.

Alabama has located about one-third of the fallout shelter requirements needed to accommodate its entire population.

What Alabama Makes Makes Alabama

VOLUME 68

NUMBER 6

SCHOOL OPENING SET FOR SEPTEMBER 2 IN ELBA

The Mulberry Heights School opens the 1965-66 term for all students on Thursday morning, September 2, from 9:00 a.m. to 11:00 a.m. All students are asked to be present at this time to receive their class schedule and books for the year.

First grade students who have not registered must bring birth certificates.

The first full day of school will be Monday, September 6, from 8:00 a.m. to 3:00 p.m. for all students. All fees will be the same as last year.

The following is a list of the faculty by subject and grade: W. M. Patton, Jr., Principal; Mrs. Ida M. Carlisle, Mrs. Claudia Reynolds, First Grade; Mrs. Beatrice D. Marshall, Mrs. Eliza Brundidge, Second Grade; Mrs. Betty Evans, Mrs. Ruby Shinson, Third Grade; Mrs. Pauline Reynolds, Marvin Daniels, Fourth Grade; Mrs. Maggie D. Marshall, Mrs. Johnnie B. Berry, Fifth Grade; Mrs. Virginia McGowan, Sixth Grade.

Mrs. Sylvia Terrell, Social Studies; Mrs. Mamie O. Patton, English and Music; Miss Mary Bell, Commercial Subjects; Mrs. Lurline Anderson, Librarian; Gaynes C. Waters, Mathematics and Coach; Mrs. Dorothy J. Shaw, Social Studies; Chester Hammond, Science; James I. Dawson, Vocational Agriculture.

Faculty members by subjects and grades are as follows:

Lamar Foley, Principal; Ray Flowers, Social Studies; P. E. and Assistant Coach, Wendell Hart.

**Whitewater Baptist Plan Revival**  
Revival services at Whitewater Baptist Church will get underway Sunday, August 22, and last through Saturday, August 28. There will be night services only and they will commence at 7:30. The Reverend Bernard Jones, pastor of the church, will conduct the revival services.

Everyone is cordially invited to attend.

**Report Of Council Meeting Held Monday**  
The Elba City Council held its regular meeting Monday night and the business session was a replacement of a councilman.

for Police Chief Jack Smart, who turned in his resignation at the August 2nd meeting.

None of the councilmen had been looking for someone to fill the position hoping that Chief Smart could be persuaded to remain on the payroll, but Smart stated that the long hours keep him away from his family more than he likes, which was his only reason for leaving.

The city has received several applications for the position but no action has been taken at this time. Other business included voting on some formalities to clear the way for selling bonds to construct the new grammar school. These bonds will be sold by sealed bids which will be opened August 31st.

The City Fathers then heard a report from Jos. McWhorter, General Manager of Hamilton Chevrolet, on their proposed new dealership in Elba. McWhorter, or Jos. Thursday was very as he prefers to be called, impressive and a large showed the council some of the tentative drawings of the new building they are planning to build on property they are asking the Doctor Charles Graham Zoning Board to rezoned from residential to commercial. He then answered Ellis, and the Welcome Ad- graham was the president, and councilman had and Jimmie Peacock. The gave a brief history of wards and recognitions for world.

All members of the council were present except Councilman Bob By James Maddox, past president of the Jaycees, who is vacationing in Florida.

**Small Portion of the crowd at the annual meeting of the Covington Electric Co-op held last Saturday in Opp.**

**ELBA BOY TO RECEIVE ARMY COMMISSION**  
Army, Navy and Air Force ROTC cadets at Auburn University will receive commissions preceding the summer commencing services August 24 with 17 being designated Distinguished Military Cadets.

The commissioning ceremonies will begin at 9 a.m. in Langdon Hall, Auburn University. Retiring Auburn University President Ralph B. Draughon will be the speaker.

Those graduating from this area include Ronald R. (Ronnie) Windham, of Elba, Army ROTC.

**Football Is Underway Here**  
Football practice got underway Monday at Elba High School with 52 boys reporting for practice.

The faithful sideline coaches report that most of the boys seem to be in shape physically to play a game, but it should be remembered that sideline coaches sometime let their hearts rule their coaching and since Coach Wendell Hart has not announced that he is looking for someone to pit his boys against in an exhibition game, we can only conclude that the real truth is that the Elba football team shows promise of making a good showing when they do open their season.

**Boy Scouts Plan Trip**  
Mr. Barlow was found on the highway in the edge of Crenshaw County and the investigation was, or is being handled by Crenshaw dam. They plan to drift County officials, and this down the river on two barges until Friday or Saturday. They will be accompanied by Bill Bullard.

**Jaycees Present Awards Service Pins To Local People**  
The dedication of the man, recognized the Mr. McWhorter, or Jos. Thursday was very as he prefers to be called, impressive and a large showed the council some of the tentative drawings of the new building they are planning to build on property they are asking the Doctor Charles Graham Zoning Board to rezoned from residential to commercial. He then answered Ellis, and the Welcome Ad- graham was the president, and councilman had and Jimmie Peacock. The gave a brief history of wards and recognitions for world.

All members of the council were present except Councilman Bob By James Maddox, past president of the Jaycees, who is vacationing in Florida.

**Little Leaguers To Play Off Thursday**  
The Little League play-off was stretched into a three game series when the Cardinals and the Indians split the first two games. The third and final game will be played tonight (Thursday night) in the Jaycee Park at 6:30.

**Rucker Awards**  
Forty Civil Service workers at the Army Aviation Center have been honored for length of service by the Federal Government.

Those receiving 20 year pins included Eddie B. Jones, of Elba; Those receiving 10 year awards included Mrs. Jean R. Scarborough, Elba.

trons and bridesmaids' gowns being of a brilliant shade of pink.

Mr. Smith was attended by his brother, Mr. Farrell Smith, who acted as bestman. Ushers were Mr. John Vaughan, Mr. Rudolph Free, Mr. Claude Devane, Mr. Mack Watson, and Mr. Ronald Young, all of Elba. Master David Smith, brother of the groom, was ring bearer.

After the ceremony, the bride's parents entertained with a reception in the Fellowship Hall.

Serving at the reception were Miss Evelyn Swann, of Panama City, Mrs. Donald Lindsey, of Montgomery, Miss Cynthia Coleman, of Geneva, Miss Sandra Shumate, of Macon, Georgia, Miss Latane Clark, Miss Cheryl Clark, Miss Susan Cooper, Mrs. Ellis Brazelton, and Mrs. Louis F. Imman, Miss Sara Warr and Miss Harriett Collier presented a repertoire of piano music during the afternoon. Miss Betsy Imman presided over the bride's register.

For a honeymoon trip to Florida, the bride wore a three piece suit of cranberry red silk with a white orchid corsage.

The altar held two candle trees, draped with ivy, in which burned candles ranging in color from deep rose to pearl. Cathedral candelabra were placed inside the chancel rail which was centered with a candelabrum holding three white candles, only two of which were burning. After exchanging their vows, the bride couple lighted the center candle. Large arrangements of pink carnations, white chrysanthemums and stock adorned the novel posts.

The bride entered the sanctuary on the arm of her father, by whom she was given in marriage. She wore a floor length gown of ivory sheer silk and rose point lace. The bodice was fashioned of lace forming a delicate fan neckline and long slender sleeves. The bouffant silk overskirt was cutaway in the front to reveal a bodice of solid lace.

The double wattle train was bordered with wide bands of scalloped lace and positioned by small silk bows. The bridal headpiece was a mantilla of scalloped rose point lace. The bride carried a satin and lace fan embroidered with white carnations and orchids.

Miss Tina Ruth Anderson served her sister as maid of honor. She wore a silk taffeta, floor length and lace fan embroidered with white carnations and orchids.

Miss Wilma Gail Anderson, twin sister of the bride, served as junior bridesmaid. Miss Jo Ann Brazelton, of Elba, and Miss Nan Elizabeth Turner, of Gadsden, were bridesmaids. Mrs. Charles Pearce, of Elba, served as bridesmatron. Little Miss Lynn Hudson acted as flower girl. Their gowns and flowers were identical to that of the maid of honor with the bridesmaid.

Mrs. Paul Stroud and Mrs. Ted Vaughan visited in Daleville Saturday.

MISS JUDY HELMS  
Engaged

## Miss Helms To Marry Mr. Kelley

Mr. and Mrs. J. T. Helms, of Opp, Alabama, announce the engagement and forthcoming marriage of their daughter, Judy, to Mr. Lamar Kelley, son of Mr. and Mrs. Aaron L. Kelley, of Elba, Alabama. Miss Helms is a graduate of Opp High School. Mr. Kelley is a graduate of Elba High School and is presently employed at Dorsey Trailers, Inc., Elba, Alabama. The wedding will be an event of August 27, at the home of the bride.

Mrs. Mercer Rowe, Mrs. Henrietta Jordan, Mercer Coston Rowe, and Ann Rowe Ace, of Gadsden, visited Mrs. J. M. Garrett Tuesday. They were enroute to Panama City for a week's vacation.

Miss Elizabeth Rowe and Miss Odell Garmon, of Montgomery, were guests of Miss Zedie Rowe Sunday.

## HAPPY BEACHHEAD

If you've ever taken a child to the seashore, you know what that first glimpse of the ocean can mean to a youngster . . . the lure of fascination . . . the foreboding of fear. Which will win the struggle? But what a delight when hesitation ends and Jeannie finds her happy beachhead down where the waves wane, and the tide seeks its rest. And if you've ever taken a child to Sunday School, you know what that first glimpse of strange surroundings can mean. But, even if there are misgivings that first Sunday, Jeannie soon finds her happy beachhead. And one day she'll plunge bravely and confidently into deeper reaches of the vast spiritual ocean that surrounds life. Anything as vital as religious education deserves an early and earnest beginning.

**THE CHURCH FOR ALL - ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read their Bible daily.  
1. For his own sake. 2. For his children's sake. 3. For the sake of his community and nation. 4. For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## KINSTON NEWS

By Mrs. John Foster

## Martin Twins Celebrate 10th Birthday

Misses Gladys and Gloria Martin, twin daughters of the Paul Martins, celebrated their tenth birthday Friday afternoon when their mother entertained a party in the home. Each family is asked when their mother entertains a party in the home. Each family is asked when their mother entertains a party in the home.

## Eastern Star

## Meeting Held

## Thursday

The O.E.S. met Thursday night at the Masonic Lodge with the worthy Matron, Mrs. Mamie Goodin, presiding.

Mrs. Maetta Stephens was installed treasurer; Mrs. Marie Anderson, Mrs. W. J. Donaldson, Chaplain; Mrs. Jimmy Anderson, Ruth.

The worthy Matron called a special meeting for an initiation.

Generally Speaking  
In times gone by, I have had a weekly column talking about our business and how we were progressing in the community. Also at that time, ways we had learned of doing things better for the community were mentioned.

Now, I would like to express our very great pleasure at the prospect of becoming the Chevrolet Dealer for Elba, Alabama. After looking at dealers in Kentucky, Florida, Mississippi, Tennessee and even Texas, we have been more impressed with the possibilities and the manner in which we have been treated by the town people in Elba than at any place yet.

For obvious reasons, we come to Elba knowing that the things we do will not please everyone, however we are here to IMPROVE Elba itself and we KNOW that our place of business WILL BE ONE THAT ALL OF THE PEOPLE WILL point with PRIDE.

It should be borne in mind that in order to be as successful as we will HAVE TO be, we will need to be regarded MOST favorably by the very people we will be doing business with - home folks.

This column was called -  
Generally Speaking  
We want everyone in Elba to get to know us and to regard our new building as their place - of service - first. Ours will have to be "DEDICATED SERVICE."

You know, to begin with, Chevrolet Motor Division requires adequate, first class facilities properly situated. To add to this, the very nature of our chosen business location will necessitate our very careful attention to being certain that attractiveness, neatness, cleanliness and order will be built in from the beginning and maintained properly thereafter. It will be a beautiful spot.

I have already met many of the good people of Elba. Forrest Hamilton (The Hamilton Chevrolet Man) will be on the scene as soon as our new facilities are complete. Mr. Hamilton is married and has two children, a girl 9, Karen, and a boy 6, Bobby. Incidentally, Mrs. Hamilton has had the "Tupelo Yard Of The Month" award much of the time while living here. Mrs. McWhorter has accompanied me on my last two trips to Elba and is very much impressed with all she sees. We have a son Stephen, age 24, who is a seminarian at the Episcopal Theological School in Cambridge, Massachusetts. Steve finished college at West Virginia University, taught school in Mississippi one year and is in his second year in Theology. Steve is single. He will later enter the Navy as a Chaplain.

Collectively, we feel that we can make a REAL contribution to the Elba community and we are looking forward to it.

Our WILL NOT be the "Biggest". IT WILL BE the "Best" and on this you can depend.

Joe C. McWhorter, Jr.  
General Manager  
Hamilton Chevrolet Co. Elba, Alabama

Mr. and Mrs. Lonnie Hataway received a call Saturday from their son, Lonnie, Jr., that he arrived early Saturday morning from Viet Nam.

Wash your silver as soon as possible after a meal. Never leave it unwashed overnight. And don't leave salt in sterling silver salt shakers.

To avoid the last minute chore of fixing sandwiches for school lunch boxes, prepare a large number of sandwiches at one time and freeze them.

There are many live medicines in this world today, and an ordinary fishing rod plus the operation of a pit-sized porch is one of them.

For some reason, the catching of a bluegill has magical powers. It seems to revitalize interest in the lives of many unfortunate men and women who would otherwise continue on in a gloomy, unromantic existence.

Few of us have to search far to find someone who is afflicted by one of a number of permanent disabilities. He may be 8 or 80. Regardless of age or impairment, anticipation of action on the end of a line can spark the flame that leads to better things.

From a wheelchair or poised on a pair of crutches, the individual is subjected to the same electrifying nibble as any angler. For, who knows whether that first bump is a bait-fishing chub or a three-pound rainbow.

For a great deal of fishing, physical abilities are really not too important. A boat provides access to most good waters, and Sides Angela Nobles, a student at Troy State arrived home Friday and will be with her parents, Mr. and Mrs. O. F. Nobles until fall semester.

Mrs. Sara Ballard, of Cullman is visiting the Ray Stanleys and other relatives for a few days.

There were sorry to hear that Mr. Ab Hataway had to be admitted to Mizell Memorial Hospital.

Mrs. W. D. Coon spent the weekend in Mobile with her daughter, Nancy.

Misses Wanda Maloy and Jeanne Bush left Monday to attend G. A. Camp at Shocco Springs and will return Saturday.

Dallas Danley spent the weekend with his daughter, Nancy, at Shocco Springs and will return Saturday.

Mr. and Mrs. Tolbert Sumlin attended the Wiregrass Poultry Meeting at the Community Center in Enterprise Thursday night.

Mrs. Robert Wise and Teressa Wise returned home Wednesday from a 4 week vacation spent in Florida. They visited Mrs. Wise's brothers, Terry Gilchrist and Mack Gilchrist, and families in Tallahassee. Other places they visited were Winter Garden, Hollywood, Miami, Key West, and Cape Coral. Two weeks were spent with Mrs. Wise's son, Dr. A. B. Wise, and family at Margate, Florida.

Mr. and Mrs. Colbert Anderson spent Sunday with Mr. and Mrs. Donald Harrison and family, in Dothan.

Reverend and Mrs. C. G. Curby attended home at Glendale, Florida Sunday afternoon. Reverend Curby was on program at 2:30.

Reverend C. G. Curby delivered the 11 o'clock message at First Baptist Church in Kingston Sunday due to the absence of Reverend Klinghagen, who was enroute to Iowa to pick up his family.

Don and Kay Bess, of Atlanta, are visiting their grandparents, Mr. and Mrs. H. E. Bess.

Mr. and Mrs. Jack Smith, Janet and Max, of Opp, were Tuesday night supper guests of Mr. and Mrs. Hefflin Smith and family.

Donna King of Enterprise, spent from Thursday until Sunday with her grandparents, Mr. and Mrs. Paul Martin.

Bill Mullins, of Port Eustis, Virginia, spent the weekend with his family.

Mrs. Anna Lottin, Mrs. Lena Peacock, Odie Peacock, of Hartford, visited Mr. and Mrs. Paul Martin and Mrs. Donna Wilkerson Sunday afternoon. Mrs. Wilkerson returned home with them and will stay until Thursday.

David Harrison, of Dothan, spent last week with his grandparents, Mr. and Mrs. J. C. Anderson.

Mr. and Mrs. Jim Pridgen, of Jackson, Mississippi, is spending a few days with her parents, Mr. and Mrs. Ernest Broxton.

## Admission Policies And Curricula Of Alabama's Vocational-Technical Institutions

In Alabama's vocational-technical institutions, enrolling students must be at least 16 years of age. Most of the institutions are not restricted to high school graduates; however, applicants for enrollment in the technical courses must be graduates of an accredited high school, or the equivalent. Some departments require a physical examination and letters of recommendation.

In most vocational courses students may enroll at the beginning of each month. The technical courses enrollment will be limited to a quarterly or semi-annual basis. It is expected that tests given students will be used primarily for guidance and counseling purposes and will not be used to prevent applicants who are otherwise qualified from entering the vocational-technical schools. The state vocational-technical institutions are designed to serve the occupational needs and interests of all Alabamians in all areas of the state.

## Schoolbuses Arrive For Enterprise Junior College

Five new schoolbuses for Enterprise Junior College arrived Sunday. According to O. P. Richardson of the state department of education, they are part of a fleet of 185 which will be delivered during the next few weeks at 13 new junior colleges throughout Alabama. He said George C. Wallace Junior College at Dothan would get three new buses to share with the trade school there.

With three to a seat, each of the buses will haul Munch, munch, munch... lot of nibbling bills? Find LOANS fast in the YELLOW PAGES. Where your fingers do the walking.

electronics, engineering technology, machine shop, instrumentation technology, management and supervision courses, medical technology, optical mechanics, plumbing, printing, practical nursing, radio and television technology, refrigeration and air conditioning, sheet metal, technical and mechanical drafting, textile technology, upholstery, watch repair, and welding.

Each institution has a geographical area of the state which has been designated as its service area. Free transportation will be provided by the institutions for all students living within its area. Students not taking advantage of these express buses will be expected to provide for their own transportation.

The vocational-technical educational programs have been developed in response to local employment needs. The length of the training programs will vary from a few months in some programs to a two-year program in others. Curricula now being offered, or those under consideration by some of the state vocational-technical schools, are as follows: architecture, technology, auto body and fender repair, auto mechanics, aviation technology, barbering, bookkeeping, bricklaying and masonry, business education, business machine repair, cabinet making, carpentry, clerical, cosmetology (beauty culture), data processing, diesel mechanics, drafting-architectural, drafting and design technology, electrical appliance repair, industrial electricity,

## ... about your SOCIAL SECURITY

A new Social Security Administration Office will be opened in Andalusia, Alabama in the near future, Robert M. Ball, Commissioner of Social Security, announced in Washington. The new office will serve residents of Coffee and Covington Counties and will be a branch of the Dothan District Office.

Mr. Ball said that the Andalusia office is one of 71 new social security offices to be opened in various parts of the United States, all of which will be branches of existing district offices. These offices are designed to provide better service to people about the new health insurance and voluntary supplementary medical insurance program of medicare as well as to help people apply for social security benefits. As with the other 70

locations, the decision to open a social security office in Andalusia was based largely upon the anticipated need for additional service in these communities arising from changes in the social security program brought about by the introduction of "medicare." Population growth and changes in its pattern also were factors in deciding upon the location of the branch offices, Mr. Ball pointed out.

The new office will be staffed to answer inquiries about the new health insurance and voluntary supplementary medical insurance program of medicare as well as to help people apply for social security benefits and to answer inquiries about other aspects of the social security program.

What Alabama Makes Makes Alabama

VOLUME 68

ELBA, ALABAMA, THURSDAY, AUGUST 26, 1965

NUMBER 7

U of A Degrees

Awarded To 872 Friday

Eight hundred seventy-two persons received degrees from the University of Alabama in 8 p.m. Commencement Exercises Friday (August 20) in Foster Auditorium.

Col. Ralph W. Adams, president of Troy State College, delivered the Commencement Address. The degrees, including 426 graduate degrees, were awarded by University President Doctor Frank A. Rose. The candidates for graduation represented 63 Alabama counties, 24 states other than Alabama, and seven foreign countries.

The candidates and their degrees from the Elba area included: Crenshaw County: Martha Ann Warren, M.A., Elementary Education, Glenwood; Henry P. Lisenby, B.S., Commerce and

Business Administration, Luerne, Coffee County: Lily K. Williams, M.A., School Librarianship, Elba; Herbert A. Barr, B.S. in Commerce and Business Administration, Louis A. Hollis, Jr., B.S. in Commerce and Business Administration, Mildred G. Jernigan, M.A., Special Education, William G. Nichols, M.A., History, Robert R. Snellgrove, B.S., Civil Engineering, all of Enterprise.

Pike County: Travis G. Benton, M.A., History, Banks; William G. Watson, Jr., B.S., Pre-Medical, Brundidge; Leanna Barron, B.S. in Commerce and Business Administration, James D. Gargill, M.A., Counseling and Guidance, Mabel J. Jones, M.A., English, William J. Lower, M.A., Art, Jessica P. Steons, B.S., Biology, Pauline C. Williams, B.S. in Education, all of Troy.

Boy Scouts Embark On New Adventure

The Elba Boy Scouts and their Scout Master are on a four day cruise down the river. They left Tuesday morning and plan to drift until Friday.

The boys are on two rafts and the scoutmaster, Bill Ballard is following them in an aluminum boat. They have food, water, tents, fishing poles, and bug spray. They see them through the "wilderness."

Those boys making the trip are Johnny Foreman, Buddy Foreman, Charles Crosby, Joe Prior, Jack Hudson, Mike and Dan Hamm, Mark Vaughan, Dennis Johnson, Daniel Stevens, Jimmy Cook and Mike Ballard.

Elba To Play In Jamboree

The Elba football team will play in a football jamboree at Troy on Friday night September 3rd.

Season tickets for the Elba Football games will go on sale August 26.

Football players will be selling tickets or anyone can get them from the High School Office or the Superintendent's office.

Each game will consist of two ten minute halves.

Revival services will begin at Zoar Methodist Church on Monday evening August 30th at 7:30 P. M. and will be followed by the Elba and Brundage game.

Each game will consist of two ten minute halves.
